

EXCLUSIVE FAMILY LLC
SUPPLY YOU SINCE 2002

About Us

We, Exclusive Family LLC, a Dubai-based company for the last 20 years, are one of the leading distributors and suppliers of household plastics and non-plastics products in U.A.E

Since our company's inception, we have been striving hard to bring most of the household products under one roof. We are manufacturing and importing quality products from India and China.

We provide a wide range of quality products such as household items, molded furniture, garden products, kitchen utilities, and steel products at competitive rates, making us one of the largest suppliers and distributors of plastic products in the U.A.E.
